ELECTION COST NEAR \$11,000

James E. Watson's Campaign Statement Filed Here Reveals he Spent Sum of \$10,978.81

BIG PER CENT IN PRIMARY

Many County Candidates Comply With Law, Showing How Much They Spent in Campaign

James E. Watson, in making his successful race for United States senator, spent the sum of \$1,500, as shown by his statement on file in the office of the clerk of the Rush circuit court. This sum was the actual election expense of Mr. Watson and supplements his previous statement of expenses during the primary and state convention.

The primary expense statement of Mr. Watson shows expenditures totalling \$9,197.81. The total cost of the primary and election to Mr. Watson was \$10,978.81. The election expense shows \$200 for advertising; \$650 for railway fare, traction fare and automobile hire and \$650 for hotel and incidental expenses.

A similar report is sent to Washington. Mr. Watson received no contributions and made no promises, either before the primary or election.

County candidates are filing expense statements, practically all of the republican candidates having filed their accounts. George B. Moore Jr., clerk-elect spent the sum of \$176.22 and made no promises. Of this sum \$135 was donated to the treasurer of the central committee.

Cary Jackson, defeated democratic candidate for county treasurer, spent a total of \$102.76 and made no promises. One hundred dollars of this sum was given to the central committee. John O. Williams, the successful candidate for this office, spent \$163.20, according to his statement. He donated \$140 to the republican central committee. Mr. Williams also made no promises.

John E. Harrison, republican commissioner-elect from the southern district, spent a total of \$81.80. Of this amount \$75 was given to the central committee and the balance was spent in advertising.

William H. McMillin, county auditor-elect spent \$169.44 and made no promises. He gave the sum of \$140 to the central committee treasurer and spent the balance in advertising.

Frank L. Catt, republican candidate for surveyor, spent the sum of \$30. Of this amount \$25 was given to the treasurer of the central committee. He made no promises. Ed Woods, the prohibition candidate for the same office, spent no money and made no promises.

LOSES DIAMOND IN HIS OWN BEDROOM

T. W. Betker Says Valuable Stone Disappeared While he Was Cleaning it With Alcohol

ALL SEARCHES FRUITLESS

T. W. Betker lost his diamond ring valued at about \$400, in his own bathroom and faces the alternative of taking up the plumbing in the bathroom to search for it or standing the loss.

It happened in this fashion: last night before retiring Mr. Betker put the ring in a bottle of alcohol to cut the dirt by suspending it in the fluid by the end of a hairpin so he would not have to place his hands in the alcohol to get it out. With his hand over the top of the bottle, he claims, Mr. Betker shook it so as to saturate the ring with alcohol, but when he started to take the ring out, it had disappeared.

He conducted a thorough search last night, but went to bed with the thought that he would get it this morning all right. But he covered every inch of the bathroom in the hunt, this morning, which revealed no trace of the ring. He will likely hire a plumber to assist in a further search. R. L. Tompkins, brother-in-law of Mr. Betker says the diamond was probably alum and dissolved, but of course, Bob was just joking.

MONASTIR'S FALL PREDICTED TODAY

May Come Within Three Days, Because of Victorious Sweep of Allies in That Direction

MORE ADVANCES ON ANCRE

(By United Press.) London, Nov. 17.—The fall of Monastir within three days was confidently predicted here today with receipt of fresh news of victorious progress toward the Macedonian city by allied forces. Fighting through snow, sleet and mud, the allies have a vise-like grip on the Monastir neighborhood.

Further advances along the Ancre were reported today by General Haig. The British commander-in-chief reported that the front had been extended along the front of the river.

While Berlin asserts that there have been only minor engagements in Dobrudja, Petrograd reports that the Russians have made further progress southward and that the Teutonic allies continue to retreat, burning villages behind them. Denial is made by Berlin of the assertions that the Roumanians have captured the town of Bonasio on the Danube.

FRAUD FINDS LOCAL VICTIMS

Many Rush County Women Send Dime in Hopes of Receiving Petticoat Worth \$4.50

SCHEME NIPPED IN THE BUD

Endless Chain Effect, Which Had Been Devised, is Discovered by Federal Authorities

That many Rush county women have "fallen for" the endless chain "petticoat" fraud, started at Minneapolis, Minn., and nipped in the bud by the government postoffice department, has just been revealed here. Several letters are mailed daily at the local postoffice to the National Mail Order Brokerage Exchange, 520 Globe Building, Minneapolis, Minn.

Clerks at the postoffice here noticed many letters going to this address, even before the postoffice department discovered the scheme and held up all mail addressed to that concern at the Minneapolis postoffice. Some postoffices, since the order has been sent out from Washington warning against the fraud, have held up letters addressed to the Minneapolis concern, either returning them to the sender, if there is a return address on the envelope, or, if there is no return address, forwarding them to the dead letter office.

At the Rushville postoffice, however, the clerk have been sending the letters to the address given and at Minneapolis the distribution is made. So that Rush county women who were expecting to receive any day a \$4.50 petticoat need not be surprised if they do not get their dime back in the next few months. If they had a return address on the envelope, it will be returned direct; otherwise the letter will have to go to the dead letter office and be opened. There may be those here whose money reached the grafters, and in that event they will never get it back.

The scheme of the company was about this: It proposed to send to any customer a petticoat, worth \$4.50, for the small cash sum of ten cents, provided the purchaser made five copies of the letter she received, and gave each of them to some other woman. The effect was that of an endless chain. So keenly did the people of the whole central west seize and swallow this cheap bait that, to date, about two hundred thousand letters, containing altogether about \$20,000, have been collected at Washington dead letter office, and the redistribution has begun. The swindle has cost the government upwards of \$5,000 already and will cost it a vast deal more, for the intercepted letters are still rolling in. They reach the dead letter office at the rate of about 30,000 daily.

The proprietors of the National Mail Order Exchange scented trouble, some weeks ago, left their Minneapolis office between two days and are now fugitives. It would take nearly four million yards of silk to fill the orders for skirts which the postal authorities have in their possession.

There is never any lack of proof that those persons or concerns which, from a great distance, offer the public glowing bargains, amounting to something for nothing are always, in one way or another, rank fakes, which cannot exist except in ignorance on the part of the public. But this gigantic swindle is one of the clearest proofs imaginable. Except for its huge size and the technical slip by which it is punishable by federal law, it is not radically different from a thousand and one catch-penny, clap-trap enterprises, of which the cracker-box faker is the smallest representative.

NEW CHURCH IS TO BE DEDICATED

Elaborate Ceremony is Arranged for Opening of Christian Edifice Sunday, Nov. 26

BASKET DINNER TO BE HELD

Structure Costs \$16,000 and Indebtedness of Little Over \$3,000 Remains Now

The new Milroy Christian church erected at a total cost of \$16,000 will be dedicated one week from Sunday, November 26. The finishing touches are now being put on the church and it will be completed entirely by the time of the dedication.

The church will be dedicated with an indebtedness remaining of a little over \$3,000. Approximately \$13,500 was raised with which to build the new church before the contract was let. Morris Winship of this city was the contractor and Charles Frajcs of Indianapolis was the architect.

An all-day meeting will mark the dedication and a basket dinner will be served at noon. All of the Christian ministers of the county have been invited to participate in the program and will speak at the service. The principle address will be delivered by C. W. Cobble of Indianapolis, state corresponding secretary of the Indiana Christian Missionary society. He will speak at both the morning and evening services.

The pastor of the church, the Rev. Mr. Philippi has arranged for a series of meetings to follow the dedication. On Monday night, following the dedication the Rev. C. M. Yocum will preach and on Tuesday night the Rev. F. Z. Burkette of Greensburg will preach. It is expected that on Wednesday night the Rev. Eugene L. Martin of Columbus, Ind., will preach. There will be no service on Thursday, but in place there will be a Thanksgiving supper at the church. On Friday night the Rev. L. E. Brown of Connersville will preach.

The pastor will preach on Sunday Dec. 3 and on the following Monday a revival service will start with the Rev. M. R. Scott of Holton, Ind., in charge.

The new building is a handsome one and adds greatly to the town of Milroy. The building is of brick and stone and the architecture is of the colonial design.

SAYS IT WORKS HARDSHIP

Albert Tremain Asks For Modification of Divorce Decree.

Albert Tremain has filed a petition to modify a divorce decree in the circuit court. Mrs. Mary Tremain was granted a divorce and given the custody of their two minor children. She was also given the sum of \$2.50 a week as an allowance under the terms of the decree. Tremain in his petition states that he is a farm laborer receiving the sum of \$1 a day for every day he works and finds that it is next to impossible to pay the sum required of him. He claims that since the divorce she has taken most of the household goods and he has been compelled to purchase new furniture and that paying her \$2.50 a week works a hardship on him. T. M. Offutt represents the petitioner.

CONGRESS MAY BE "HELD UP" AGAIN

President C. R. VanHise of Wisconsin Delivers Warning to National Chamber of Commerce

COURAGE IS NEEDED, HE SAYS

(By United Press.) Washington, Nov. 17.—Warning that railroad men may "hold up" congress at the next session if they are successful in the present Adamson 8-hour law controversy was given today by President Charles R. VanHise of Wisconsin university to the National Council of the United States Chamber of Commerce.

"Whether the last election has anything to do with the passing of the Adamson 8-hour law," VanHise said, "you can judge as well as I. Four hundred thousand men held the governing power for the United States. The ignominious situation may be repeated indefinitely unless courage is exhibited in future matters of the sort which was not exhibited in this case."

Should the courts grant the appeal of enforcement of the Adamson law, the work of the commission appointed to investigate its application to railroad operation, will be held up temporarily, General Goethals, chairman of the commission, said.

HITS SMALL TUG CONVOYING HER

Deutschland in Collision This Morning While Leaving Harbor and Journey is Halted

MYSTERIOUS RUMORS HEARD

Reported That Motor Boat Tried to Ram Submersible and Tug Tried to Protect Her

(By United Press.)

New London, Conn., Nov. 17.—An attempted dash to sea by the German merchant submarine Deutschland ended early today in a collision between the super-submarine and the escorting tug Scott, in which Captain Gurney and four members of the tug's crew were drowned.

A report was circulated that a mysterious motor boat tried to ram the Deutschland and in attempting to protect the submarine the tug swung directly into the path of the under-sea freighter.

The Deutschland put back into port immediately and work was begun by a small army of workmen to learn the extent of her damage.

The tug sank within two or three minutes after she was rammed and the crew had no chance to reach the lifeboats.

Captain Hinsch of the Eastern Forwarding company, which owns the Deutschland, was aboard the Scott and was thrown into the water. Sailors from the Deutschland leaped overboard and dragged him on to the submersible. He was nearly dead from shock and cold.

SUBMERSIBLE IS SIGHTED

One With Gun Mounted on Her Deck is Seen Off New London

(By United Press.)

New London, Conn., Nov. 17.—A report was received here this afternoon from Plum Island that a strange submarine with a gun mounted on deck had been sighted towards the Midway, near Connecticut shore.

The vessel was visible, according to the report, through a light snow storm. The submarine later disappeared. Whether she submerged or left by the surface was not stated.

Many here believed the strange craft was the war submarine which has been expected as a convoy for the Deutschland.

EAT LESS MEAT IF BACK HURTS

Take a glass of Salts to flush Kidneys if Bladder bothers you—Drink lots of water.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

First School For Suffragists Opens in Baltimore With Many Women in Attendance.

PREPARING FOR CAMPAIGN

Is Only One of a Series That Will be Opened in Various Parts of Country.

(By United Press.)

Baltimore, Nov. 17.—This is the "first week of school" for the suffragists from many parts of the United States attending the suffrage school opened here under the auspices of the National American Woman Suffrage Association.

Classes in political organization, public speaking, suffrage history and argument, legislative and Federal work, and press and publicity are now in full swing and the ardent "pupils" are deep in the lessons of suffrage campaigning.

A model open air meeting was held in the streets of Baltimore last night, at which suffrage speeches from a decorated automobile, heckling crowds, and all the other features of such a gathering were demonstrated.

Mrs. Carrie Chapman Catt, president of the National Association will arrive tomorrow to give lectures both tomorrow and Saturday on organization, legislative and Federal work, and will address a large public meeting on Friday night. The school will close on Saturday.

The Baltimore school is but the first of the series that the National association will open throughout all the non-suffrage states, suffragists in many parts of the country having asked for a short course of this kind. Mrs. Catt has arranged to have one school in each of these states to prepare the workers for the 1917 campaign.

AGREEMENT MADE
IN A LOCAL CASE

J. P. Case is Given Privilege of Making Corrections in Transcript at Office Here

CASE TRIED IN SHELBYVILLE

In the unusual and complicated suit of Maynard M. Erb against Jasper D. Case, from Rush county, an agreement has been reached in the matter of the signing of the examination of the defendant, taken before Alice Tingle, notary public, and this agreement is set out in a decree prepared by the attorneys in the case and entered in the records of the court here Wednesday, by order of Judge Blair, says the Shelbyville News.

The agreement in the decree filed with the clerk of the court is that on November 24 the defendant shall go to the office of Kiplinger & Smith, attorneys, in Rushville, and there sign the examination. Attorneys for both sides are to be present and the notary public is to read to the defendant the typewritten transcript

MAKING IT PLAIN

The Pure Food and Drug Laws aim to protect the public by preventing mis-statements on the labels of preparations but some people continue to accept "extracts" of cod livers thinking they will get the benefits of an emulsion of cod liver oil.

The difference is very great. An "emulsion" contains real cod liver oil, which has had the hearty endorsement of the medical profession for many years, while an "extract" is a product which contains no oil and is highly alcoholic.

Scott's Emulsion guarantees the highest grade of real Norwegian cod liver oil, skillfully blended with glycerine and hypophosphites. Scott's is free from the false stimulation of alcohol and is endorsed by good physicians everywhere.

NO HUNTING

The Daily Republican has a supply of "No Hunting" Cards at 10 cents each. tf

We put it up to Hundreds of Dentists

Long before SENRECO was offered to you we submitted it to hundreds of dentists, requesting that they put it to every test. Told them that we believed Senreco to be an unusually good dentifrice, especially as to its cleansing qualities and its remedial action on sore, soft, bleeding gums; in the treatment of Pyorrhea, etc. Submitted the formula and asked them their opinion. They tested Senreco from every angle; some going even so far as to make a chemical analysis—

And They Voted Yes

With practically one accord—said:

"Senreco appeals to me more than any dentifrice I have ever seen." "I cannot say too much for Senreco. It's one of the best I have used." "I can recommend Senreco as the best." "Makes the teeth glisten and is free from injurious ingredients, including pumice and grit." "I am indeed glad to get a tooth paste that does the work." "Congratulate you on formulating a dentifrice that gives one a new idea of mouth cleanliness, etc." (These quotations are from the dentists' reports. Originals on file at our office.)

With such endorsements from the men who know; why not go to your dealer today and get a tube of SENRECO—25c. Keep your teeth REALLY CLEAN, and protect yourself against Pyorrhea and decay.

A copy of the folder, "The Most General Disease in the World" together with a liberal trial size tube of SENRECO will be mailed you for 4c in stamps. The Santanel Remedies Co., Inc. Dept. B, Masonic Temple, Cincinnati, Ohio.

Education a Necessity.

A few years hence the present generation of children will be bearing the burdens of the community that are borne by us today, and it is incumbent upon us to see that they are in every way fitted to cope with the many intricate problems that will confront them. Education is a modern necessity. It is no longer a luxury reserved principally for the rich. It is just as essential that the mind of the farmer be developed to the utmost capacity as it is for the merchant or the doctor or lawyer. Each branch of industry is dependent in great measure to the success attained by other branches. No longer can we "go it alone" as our forefathers did in the good old days. Hence, if we would have our children successful in life it is necessary that we afford them every opportunity to acquire the education that is the first requisite to such achievements. Keep the public schools in mind, encourage the teachers by your personal interest and support, and commend the children in their efforts to meet your expectations. Speak the good word that breeds ambition in the breast of teacher and pupil alike and begin the speaking today.

Lamentable, but true. There are 380 piano factories in the United States and not one of them belongs to us.

Worldly Advice: Put a crimp in your grouch and then lose them both.

BACKACHE

(By L. H. SMITH, M. D.)

In spite of the best care one takes of oneself, any part of the human machine is liable to become out of order. The most important organs are the stomach, heart and kidneys.

The kidneys are the scavengers and they work day and night in separating the poisons from the blood. Their signals of distress are easily recognized and include such symptoms as backache, depressions, drowsiness, irritability, headaches, dizziness, rheumatic twinges, dropsy, gout.

The very best way to restore the kidneys to their normal state is to drink plenty of pure water and obtain a small amount of Anurie, which is dispensed by most every druggist. Anurie is inexpensive and should be taken before meals. It is much more potent than lithia and you will find

that Anurie dissolves uric acid as water does sugar.

People are realizing more and more every day that the kidneys, just as do the bowels, need to be flushed occasionally. The kidneys are an eliminative organ and are constantly working, separating the poisons from the blood. Under this continual and perpetual action they are apt to congest, and then trouble starts. Uric acid backs up into the system, causing rheumatism, neuralgia, dropsy and many other serious disturbances. It means that you are a victim to uric acid poisoning. When ask your druggist for Anurie and you will very soon become one of hundreds who have been helped by this powerful enemy to uric acid. —Adv.

LOCAL DISTRICT IS MADE LARGER

Many Counties, Including Strongest Fives in State, Will be in Competition With Rushville

SLIM CHANCE TO GET CONTEST

Such Cities as Richmond, Anderson and Muncie Will Compete For District Tournament

Under the new division of the state for the district basketball tournaments, just announced by the Indiana High School Athletic Association, the Rushville team will come in competition with several teams heretofore in other districts. Chief among these are Anderson and Muncie.

The state was divided into five districts, thus eliminating the smaller tourneys. This city was placed in the fourth district and will compete with the following teams: Columbus, Lawrenceburg, Greensburg, Muncie, Connersville, Brookville, Greenfield, Newcastle, Portland, Madison, North Vernon, Franklin, Anderson, Rising Sun, Winchester, Versailles, Shelbyville, Vevay, Liberty and Richmond.

Many of these teams have been in other districts in former tournaments and to win this year's tournament the team will be compelled to play more games and at the same time will face stiffer opposition.

The fourth district, according to the announcement is composed of the counties of Bartholomew, Dearborn, Decatur, Delaware, Fayette, Franklin, Hancock, Henry, Jay, Jefferson, Jennings, Madison, Johnson, Ohio, Randolph, Ripley, Rush, Shelby, Switzerland, Union and Wayne.

The district tournaments will be held on March 9 and 10 and the state tournament at Bloomington on March 16 and 17. The place of holding the district tournament has not been decided. At least 4 cities are after the event. Richmond is making a strong bid as is Anderson and Muncie. Rushville has signified its intentions of seeking the tournament but it is doubtful if this city could take care of so large a crowd as will surely come because of the enlarged district.

Heretofore the tournament in this district has been confined to teams in the Sixth congressional district, but under the new plan much additional territory is taken in and some of the best teams in the state will come in direct competition.

Tomorrow's Game in Conference Are Overshadowed by November 25 Battle.

PURDUE PLAYS PURPLE TEAM

(By United Press.) Chicago, Ill., Nov. 17—Tomorrow's games in the Big nine overshadowed by the impending Northwestern-Ohio game November 25 which will decide the championship.

There is little chance of the Purple, undefeated this season, falling tomorrow before Purdue which has lost every Big Nine game this year. Ohio State plays Case College, a non-conference game, and the result cannot effect its championship chances.

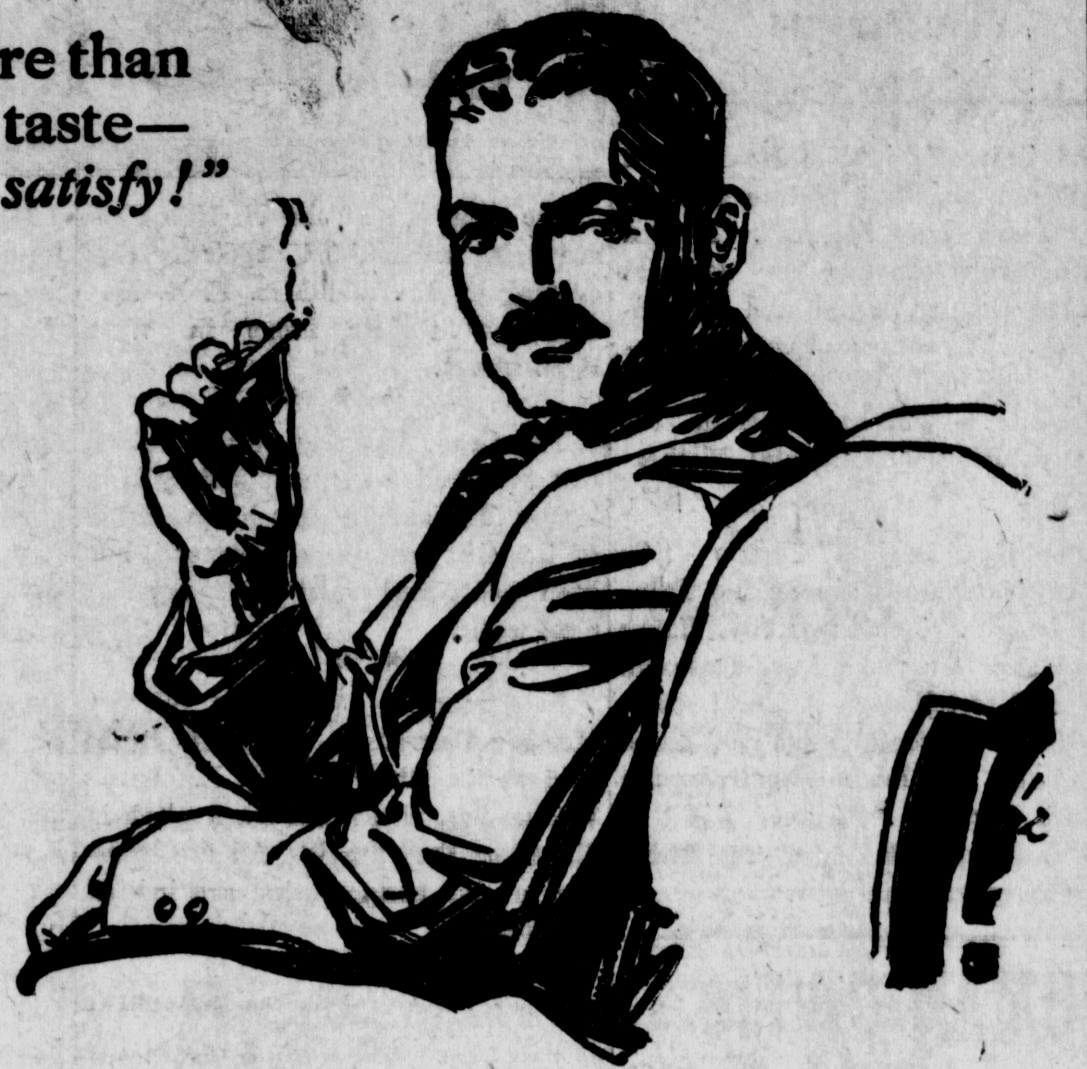

The Wisconsin-Minnesota game at Minneapolis promises to be well played and hard fought. The Gophers have somewhat the edge among the dopesters.

Chicago and Illinois will fight out their annual scrap at Urbana and although the game has no bearing on the championship, the rivalry between the two schools has keyed up both elevens until a hard tussel is expected.

Iowa goes out of the conference to play Ames at Ames, Ia. The Farmers may spring a surprise on the Hawkeyes, as they are pointed for this game with their big rival school.

Indiana will play Florida at Bloomington. Notre Dame should beat the Michigan Aggies tomorrow.

WOMAN GIVEN TWO DAYS

To Make Up Her Mind for Surgical Operation. She Refused; Cured by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"One year ago I was very sick and I suffered with pains in my side and back until I nearly went crazy. I went to different doctors and they all said I had female trouble and would not get any relief until I would be operated on. I had suffered for four years before this time, but I kept getting worse the more medicine I took. Every month since I was a young girl I had suffered with cramps in my sides at periods and was never regular. I saw your advertisement in the newspaper and the picture of a woman who had been saved from an operation and this picture was impressed on my mind. The doctor had given me only two more days to make up my mind so I sent my husband to the drug store at once for a bottle of Lydia E. Pinkham's Vegetable Compound, and believe me, I only took four doses before I felt a change and when I had finished the third bottle I was cured and never felt better. I grant you the privilege to publish my letter and am only too glad to let other women know of my cure."—Mrs. THOS. MCGONIGAL, 3432 Hartville Street, Phila., Pa.

NOTICE
Of Special Meeting of County Council.
A special meeting of the county council will be held Saturday, November 25th, 1916, at 10 o'clock a. m.
ALLEN R. HOLDEN,
Nov 17-1 Auditor Rush County.

SOCIETY

The members of the Wi-Hub Club are being entertained at dinner this evening by Dr. and Mrs. F. R. McClanahan at their home in West Fifth street.

The Cross Country Club, which was to have been entertained by Mrs. Harry McManus at her home north of the city yesterday afternoon, has been postponed until Thursday of next week.

In connection with the "Every Member Canvass" which is to be held at the St. Paul's M. E. church Wednesday, there will be a pitch-in dinner at the church. All the members of the congregation are invited to attend.

The playlet, "The Truth About Jane," which was to be given at the St. Paul's M. E. church on Wednesday evening of next week, by the Pollyanna class has been postponed until the following week on account of the services to be held at the church that evening when the Rev. C. E. Bacon will preach.

The members of the Home Economics Club are observing "Guest Day" at their meeting at the court house assembly room tomorrow afternoon when each member of the club will be entitled to bring one guest. "Standards of Diet" is the subject to be discussed by Miss Blanche Armstrong, while Mrs. R. A. Mayse will talk on "Principles of Nutrition," with experiments by Miss Kate Dennis.

Mrs. E. B. Thomas will be hostess for the meeting of the Monday Circle to be held on Monday, when the members attention will be turned to the study of the drama which has been systematically reviewed this year. Mrs. Clara Allen has a paper on "The Morning Star that Heralded the Great Dramatic Sun" and Mrs. J. B. Kinsinger will give a comparison of "The Jew of Malta" and "The Merchant of Venice."

A delightful meeting of the Grand Club was the one at the home of Mrs. T. W. Betker in East First street yesterday afternoon. The dozen ladies were engaged during the afternoon over the card tables and were later invited into the dining room; where a delicious two course dinner was served. The dining table was attractively arranged for the service of the dinner. Mrs. Claude Cambern will have the next regular meeting of the club.

Everyone is invited to attend the meeting of the Franchise League this evening at 7:30 o'clock in the assembly room of the court house. This is the first open meeting of the League since its recent organization here and promises to make an enthusiastic start for the suffrage leaders here. Miss Charlotte Sleeth, who has been an active supporter of the movement in the east will speak, and State Representative W. R. Jinnett will give his views on suffrage.

A prettily appointed dinner completed the meeting of the Social Dozen held with Mrs. Homer Powell in North Morgan street yesterday afternoon. The twelve ladies spent a social time together after which they were invited into the dining room, where the table was arranged with a center piece of chrysanthemums. Attractive place cards marked the places for the guests who were seated to enjoy the elaborate two course dinner. The next meeting of the club will be with Mrs. Jesse Poe.

At the home of Miss Mattie Bates, several of her girl friends entertained their young men friends with a pitch-in supper last evening. The color scheme of green and yellow was emphasized with decorations of yellow chrysanthemums. After the bountiful supper was served, the young people entered into an interesting series of informal games. The guests of Miss Bates included the Misses Rema Offutt, Nellie Drake, Ada Wolters, Marjorie Maximer and Dan Hughes, Orval Evans, Herbert Walker, Edgar Bates and Herschell Schmall.

Mrs. James Moore of this city formerly of Connersville attended the meeting of the Shawmut Club at the home of Mrs. Retta Williams of Connersville yesterday. The next meeting of the club will be with Mrs. Moore at her home in this city in one month.

The members of the B. N. Club were the guests of Miss Nellie Brown at her home last evening. The home was arranged in the pretty club colors of pink and white, the dining room being especially festive. Here, late in the evening, a chicken dinner was served. The table was decorated, too, in the club colors with a bouquet in the center. Members of the club present were the Misses Maud and Charlotte Smith, Anna and Pauline Gessler, Effie Young, Kathleen Coyne, Eleanor Doll and Ethel Oakley. Selections on the Victrola and piano were played throughout the evening. The next meeting will be with Miss Effie Young.

The pitch-in supper at the home of Mr. and Mrs. Frank Flint in West First street last evening was given as a surprise on Mrs. Flint in honor of her birthday. The guests assembled early in the evening and the bountiful supper which they brought was soon ready to be served. After enjoying this, the guests gathered about the cards tables for an interesting evening at "500." The friends of Mrs. Flint arranging this pleasant affair were Mr. and Mrs. Noley Newkirk, Mr. and Mrs. Will Trennepohl and son, Vernal, Mr. and Mrs. Fred Cochran and family, Mr. and Mrs. Charles Brown, Mr. and Mrs. Fred Brown, Mr. and Mrs. A. W. Wilkinson and family, Mr. and Mrs. Stillwell Wilkinson, Miss Laura Trussler, Miss Florence Smiley, and Miss Nellie Morgan.

"Our Southern Mountaineers," the paper by Miss Emma Casady was one of the principal features at the meeting of the D. A. R. held at the home of Mrs. Will Dill in North Morgan street yesterday afternoon. The ancestry of these mountain people, their lives, hardships, schooling and churches were all discussed in the inclusive and interesting paper. A report of the D. A. R. convention held in Richmond recently was given by Mrs. Will Dill, especially dealing with the parts of the program that would affect the local chapter. Mrs. A. L. Gary made a short but interesting talk on the work of the D. A. R. in general. Mrs. Will Amos sang a beautiful solo.

Following the business meeting came a merry social time when the hostesses served a dainty refecton. In entertaining the hostess was assisted by Miss Eva Ball, Mrs. Sadie Allen, Mrs. Mildred Amos and Mrs. Mabel Beaver.

An exceedingly pretty Leap Year dance was given by the members of the Kappa Kappa Kappa sorority in the Auditorium dance hall, last evening. Over thirty couples gathered to enjoy the social hours which were gayly enlivened with a series of exceptionally novel dances. The hall was attractively decorated with yellow and black crepe paper streamers. During the grand march, which was led by Miss Hudla Pepper and Mr. Howard Hurst, eleven programs containing spaces for twelve regular dances, four extras, two of which were specials, and two feature dances, were distributed among the guests. The feature dances, which aroused much joviality and merriment among the happy revelers, consisted of a "Moonlight Confetti Dance" and a "Moonlight Fire Fly Dance." Exhilarating music was furnished by Cassady, Baker and Sherman. Mrs. Louise Pepper and Mrs. E. H. Glass were the charming patronesses of the affair. Punch and sandwiches were served throughout the evening. Among the out of town guests were Miss Agnes Widmeyer of Cincinnati, Miss Rebecca Jane Alley, of Shelbyville, Miss Helen Filby, of Cambridge, Miss Margaret Gray, of Mauzy and Miss Mary Amos of Rushville—(Connersville News.)

Unshaken Testimony

Time is the test of truth. And Doan's Kidney Pills have stood the test in Rushville. No Rushville resident who suffers backache, or annoying urinary ills can remain unconvinced by this twice-told testimony.

E. L. Hinkle 815 N Jackson street, Rushville, says: "I was on the verge of Bright's disease. Sharp pains in my back radiated to all parts of my body and I was hardly able to walk. I couldn't rest well, owing to the irregular action of my kidneys. I doctored for over a year, but found no relief whatever. Doan's Kidney Pills entirely cured me and made me feel like a different man. The terrible pains left and the action of my kidneys became regular."

Statement given Feb 26, 1910.)

THE CURE LASTED.

On September 20, 1915, Five years later, Mr. Hinkle said: "The cure Doan's Kidney Pills made for me is still lasting."

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

Pins Faith in Young People to Secure National Prohibition—After National Amendment.

Indianapolis, Ind., Nov. 17.—"A sober America and a Sober World."

This was the keynote of the address made this afternoon at the opening meeting of the annual convention of the National Women's Christian Temperance Union by its president, Miss Anna A. Gordon of Evanston, Ill.

She outlined the work which had been done in the cause of temperance recently and then told of the "drive" which the allied temperance forces will make this winter, concentrating on the enactment of a federal constitutional amendment by congress.

"The Russian peasant women, possessing no political training, but fired with zeal, were most active in gaining the freedom of their nation from the shackles of vodka," Miss Gordon said. "Long before the government edict was issued, thousands of vodka shops had been closed through the persistent efforts of the peasant women."

In appealing to the younger people for aid, Miss Gordon stated:

"Our faith in the young people makes us feel assured that we shall not only secure national prohibition, but also enforce it. We are in the closing stage of our great warfare against John Barleycorn. In this campaign for a high purpose we appeal to young men and women to think seriously of the vital need of individual preparedness. On the side of the home and national prohibition are some of the best and bravest men in the country. We ask the young men to line up with us."

Miss Gordon referred to the threatening feud between the brewers and distillers. She quoted authorities who stated that the results of drinking beer were nearly as injurious as the effect from stronger liquors.

In emphasizing the necessity of seeing that the law is enforced, after it is passed, she said:

"A prohibitory law that does not rest upon the bedrock of total abstinence, belief and practice, will share the fate of the house built upon the sand. Public sentiment for prohibition must be kept at a white heat everywhere."

"The big task really centers in the cities. One sixth of the population living in liquor territory live in the cities. These are the strongholds of the enemy. One half of the saloons in the United States are in fourteen cities. New York City alone has more than are found in thirty-six states."

"If Chicago goes dry it will usher in a dry United States and that means a sober world. It will be a big fight but the inspiration is also big."

"Miss Gordon declared that the next logical step in fighting liquors is the submission and ratification of the proposed national amendment."

"The proposed amendment is a challenge to every patriot," she said. "It has been endorsed by eight million petitioners and by all the leading temperance organizations of the union. It is both effective and enforceable. It provides that the nation's standard shall not be lower than that of prohibition of the beverage liquor traffic, but does not stand in the way of more stringent legislation which may be adopted in any state."

Capt. and Mrs. J. H. Mauzy, who usually spend the summer in Denver, Colo., intended to go to Texas about October 15th, but were prevented from going by an indisposition of Mrs. Mauzy. They may possibly spend the winter in Denver.

Earnest Glessner of Fort Collins, Colo., son-in-law of the late J. F. Moses, has been confined in a hospital in Denver for some time on account of hip trouble. Mrs. Glessner (Mary Moses) and her little daughter, are occupying apartments in Denver, to be near her husband.

Elmer Bassett Now Believes Some Dreams Do Come True

Shelbyville Attorney Realizes at Ratification Here What he "Saw" in His Sleep.

MARCHES CARRYING A FLAG

After 14 months, Elmer Bassett, prominent Shelbyville attorney and well known in republican circles over the state, has seen the consummation of a dream which was his, and which at the time became indelibly impressed upon his mind, says the Shelbyville Republican.

The parade held Tuesday night at Rushville in honor of James E. Watson, who was recently elected United States senator from Indiana, was the final action the complete truth of the dream which Mr. Bassett had one night during September, 1915. Various parts of the dream have been enacted at various times during the past year, and step by step, Mr. Bassett has been enabled to see his vision become true.

The entire dream was related by Mr. Bassett Tuesday afternoon, while conversing with several friends. He stated that he had dreamed that on the following Christmas day, which was the Christmas of 1915, that his wife would present him with a large American flag as a Christmas gift. On Christmas morning, he said, he was in one of the rooms of their home conversing with a young woman who was employed there and had just completed telling her his dream

that his wife would give him a flag, when she walked into the room and presented him with a bundle which contained the national emblem.

As a continuance of the dream Mr. Bassett saw James E. Watson nominated on the Republican ticket for United States senator from Indiana. He then dreamed that Mr. Watson had been elected and that a parade was to be held in his honor in his home city of Rushville. Mr. Bassett saw himself in that parade carrying the large flag which had been given him on Christmas by Mrs. Bassett.

Finally as the days and weeks passed, James Watson became the candidate for senator on the republican ticket. After a hard and warm campaign in which Mr. Watson was the target of fire of many of the opposing party, he was elected by a plurality of more than ten thousand votes. Following his election a parade as Mr. Bassett had dreamed, was arranged to be held in his honor at Rushville. When the Shelbyville man received the word that the parade was being arranged he immediately thought of the dream which had been his and determined to be in the line of march, carrying the American flag as he had done in his dream.

Tuesday night Mr. Bassett was in Rushville and appeared in the parade carrying the American flag, and marching at the head of the Shelbyville delegation, which invaded Rushville on a special train.

My Favorite Occupation

Do you know what I love to do best in the world on a dark winter's night when the wind is howling around the house and the big trees bend almost to the ground—when the snow falls fast and furious and the people in the great out-of-doors bundle their coats tightly about them to keep off the winter's chill?

It is then that I love to sit in a darkened room before my large fireplace close by dear mother's knee and toast marshmallows, roast apples and pop corn and listen to the

tales of mother's girlhood. They are stories of the children playing 'round the kitchen, close by the door, on baking day on the lookout for a pan or two to clean with their pudgy fingers. They are stories of how they would have all sorts of gay times in the large barn at the back of the farm and how they would look forward all year to the barn dance of the community.

Somehow such an evening frightens dull care and worries far into the recesses of the brain, and we re-

lax physically and mentally—living for the time in the days gone by.

In the summer my favorite occupation is somewhat different. Yet it borders on the same theme. What could be more delightful than a camp-fire on a summer's evening. Last year a number of friends and myself took a camp for a few days. We would wear khaki middies, rough walking shoes, and walking skirts; and after sunset when the evening meal had been cleared away, we would take ourselves off to the water's edge. There we would build a fire and sit Indian fashion in a circle about the blaze. Then the musicians of the party would accompany us in the old-fashioned

melodies upon the guitar and mandolin, while the tom-boys of the party insisted upon whistling the air and beating time on large stones with their sticks. Altogether we had a delightful time and I must confess it was my favorite summer occupation. Honestly, I enjoyed these days far more than the ones I spent at a fashionable hotel in one of the well-known summer colonies.

Perhaps you think me rather indolent when I cite these as my favorite occupations instead of telling about some task. You may be right but even these pleasures would lose their savor if they were not sandwiched in between days of hard and trying work.

ELECTION COST NEAR \$11,000

James E. Watson's Campaign Statement Filed Here Reveals he Spent Sum of \$10,978.81

BIG PER CENT IN PRIMARY

Many County Candidates Comply With Law, Showing How Much They Spent in Campaign

James E. Watson, in making his successful race for United States senator, spent the sum of \$1,500, as shown by his statement on file in the office of the clerk of the Rush circuit court. This sum was the actual election expense of Mr. Watson and supplements his previous statement of expenses during the primary and state convention.

The primary expense statement of Mr. Watson shows expenditures totalling \$9,197.81. The total cost of the primary and election to Mr. Watson was \$10,978.81. The election expense shows \$200 for advertising; \$650 for railway fare, traction fare and automobile hire and \$650 for hotel and incidental expenses.

A similar report is sent to Washington. Mr. Watson received no contributions and made no promises, either before the primary or election.

County candidates are filing expense statements, practically all of the republican candidates having filed their accounts. George B. Moore Jr., clerk-elect spent the sum of \$176.22 and made no promises. Of this sum \$135 was donated to the treasurer of the central committee.

Cary Jackson, defeated democratic candidate for county treasurer, spent a total of \$102.76 and made no promises. One hundred dollars of this sum was given to the central committee. John O. Williams, successful candidate for this office, spent \$163.20, according to his statement. He donated \$140 to the republican central committee. Mr. Williams also made no promises.

John E. Harrison, republican commissioner-elect from the southern district, spent a total of \$81.80. Of this amount \$75 was given to the central committee and the balance was spent in advertising.

William H. McMillin, county auditor-elect spent \$169.44 and made no promises. He gave the sum of \$140 to the central committee treasurer and spent the balance in advertising.

Frank L. Catt, republican candidate for surveyor, spent the sum of \$30. Of this amount \$25 was given to the treasurer of the central committee. He made no promises. Ed Woods, the prohibition candidate for the same office, spent no money and made no promises.

LOSES DIAMOND IN HIS OWN BEDROOM

T. W. Betker Says Valuable Stone Disappeared While he Was Cleaning it With Alcohol

ALL SEARCHES FRUITLESS

T. W. Betker lost his diamond ring valued at about \$400, in his own bathroom and faces the alternative of taking up the plumbing in the bathroom to search for it or standing the loss.

It happened in this fashion: last night before retiring Mr. Betker put the ring in a bottle of alcohol to cut the dirt by suspending it in the fluid by the end of a hairpin so he would not have to place his hands in the alcohol to get it out. With his hand over the top of the bottle, he claims, Mr. Betker shook it so as to saturate the ring with alcohol, but when he started to take the ring out, it had disappeared.

He conducted a thorough search last night, but went to bed with the thought that he would get it this morning all right. But he covered every inch of the bathroom in the hunt, this morning, which revealed no trace of the ring. He will likely hire a plumber to assist in a further search. R. L. Tompkins, brother-in-law of Mr. Betker says the diamond was probably alum and dissolved, but of course, Bob was just joking.

MONASTIR'S FALL PREDICTED TODAY

May Come Within Three Days, Because of Victorious Sweep of Allies in That Direction

MORE ADVANCES ON ANCRE

(By United Press.)

London, Nov. 17.—The fall of Monastir within three days was confidently predicted here today with receipt of fresh news of victorious progress toward the Macedonian city by allied forces. Fighting through snow, sleet and mud, the allies have a vise-like grip on the Monastir neighborhood.

Further advances along the Ancre were reported today by General Haig. The British commander-in-chief reported that the front had been extended along the front of the river.

While Berlin asserts that there have been only minor engagements in Dobrudja, Petrograd reports that the Russians have made further progress southward and that the Teutonic allies continue to retreat, burning villages behind them. Denial is made by Berlin of the assertions that the Roumanians have captured the town of Bonasio on the Danube.

FRAUD FINDS LOCAL VICTIMS

Many Rush County Women Send Dime in Hopes of Receiving Petticoat Worth \$4.50

SCHEME NIPPED IN THE BUD

Endless Chain Effect, Which Had Been Devised, is Discovered by Federal Authorities

That many Rush county women have "fallen for" the endless chain "petticoat" fraud, started at Minneapolis, Minn., and nipped in the bud by the government postoffice department, has just been revealed here. Several letters are mailed daily at the local postoffice to the National Mail Order Brokerage Exchange, 520 Globe Building, Minneapolis, Minn.

Clerks at the postoffice here noticed many letters going to this address, even before the postoffice department discovered the scheme and held up all mail addressed to that concern at the Minneapolis postoffice. Some postoffices, since the order has been sent out from Washington warning against the fraud, have held up letters addressed to the Minneapolis concern, either returning them to the sender, if there is a return address on the envelope, or, if there is no return address, forwarding them to the dead letter office.

At the Rushville postoffice, however, the clerk have been sending the letters to the address given and at Minneapolis the distribution is made. So that Rush county women who were expecting to receive any day a \$4.50 petticoat need not be surprised if they do not get their dime back in the next few months. If they had a return address on the envelope, it will be returned directly; otherwise the letter will have to go to the dead letter office and be opened. There may be those here whose money reached the grafters, and in that event they will never get it back.

The scheme of the company was about this: It proposed to send to any customer a petticoat, worth \$4.50, for the small cash sum of ten cents, provided the purchaser made five copies of the letter she received, and gave each of them to some other woman. The effect was that of an endless chain. So keenly did the people of the whole central west seize and swallow this cheap bait that, to date, about two hundred thousand letters, containing altogether about \$20,000, have been collected at Washington dead letter office, and the redistribution has begun. The swindle has cost the government upwards of \$5,000 already and will cost it a vast deal more, for the intercepted letters are still rolling in. They reach the dead letter office at the rate of about 30,000 daily.

The proprietors of the National Mail Order Exchange scented trouble, some weeks ago, left their Minneapolis office between two days and are now fugitives. It would take nearly four million yards of silk to fill the orders for skirts which the postal authorities have in their possession.

There is never any lack of proof that those persons or concerns which, from a great distance, offer the public glowing bargains, amounting to something for nothing are always, in one way or another, rank fakes, which cannot exist except in ignorance on the part of the public. But this gigantic swindle is one of the clearest proofs imaginable. Except for its huge size and the technical slip by which it is punishable by federal law, it is not radically different from a thousand and one catch-penny, clap-trap enterprises, of which the cracker-box faker is the smallest representative.

NEW CHURCH IS TO BE DEDICATED

Elaborate Ceremony is Arranged for Opening of Christian Edifice Sunday, Nov. 26

BASKET DINNER TO BE HELD

Structure Costs \$16,000 and Indebtedness of Little Over \$3,000 Remains Now

The new Milroy Christian church erected at a total cost of \$16,000 will be dedicated one week from Sunday, November 26. The finishing touches are now being put on the church and it will be completed entirely by the time of the dedication.

The church will be dedicated with an indebtedness remaining of a little over \$3,000. Approximately \$13,500 was raised with which to build the new church before the contract was let. Morris Winship of this city was the contractor and Charles Fraja of Indianapolis was the architect.

An all-day meeting will mark the dedication and a basket dinner will be served at noon. All of the Christian ministers of the county have been invited to participate in the program and will speak at the service. The principle address will be delivered by C. W. Cobble of Indianapolis, state corresponding secretary of the Indiana Christian Missionary society. He will speak at both the morning and evening services.

The pastor of the church, the Rev. Mr. Philippi has arranged for a series of meetings to follow the dedication. On Monday night, following the dedication the Rev. C. M. Yocum will preach and on Tuesday night the Rev. F. Z. Burkette of Greensburg will preach. It is expected that on Wednesday night the Rev. Eugene L. Martin of Columbus, Ind., will preach. There will be no service on Thursday, but in place there will be a Thanksgiving supper at the church. On Friday night the Rev. L. E. Brown of Connersville will preach.

The pastor will preach on Sunday Dec. 3 and on the following Monday a revival service will start with the Rev. M. R. Scott of Holton, Ind., in charge.

The new building is a handsome one and adds greatly to the town of Milroy. The building is of brick and stone and the architecture is of the colonial design.

SAYS IT WORKS HARDSHIP

Albert Tremain Asks For Modification of Divorce Decree.

Albert Tremain has filed a petition to modify a divorce decree in the circuit court. Mrs. Mary Tremain was granted a divorce and given the custody of their two minor children. She was also given the sum of \$2.50 a week as an allowance under the terms of the decree. Tremain in his petition states that he is a farm laborer receiving the sum of \$1 a day for every day he works and finds that it is next to impossible to pay the sum required of him. He claims that since the divorce she has taken most of the household goods and he has been compelled to purchase new furniture and that paying her \$2.50 a week works a hardship on him. T. M. Offutt represents the petitioner.

CONGRESS MAY BE "HELD UP" AGAIN

President C. R. VanHise of Wisconsin Delivers Warning to National Chamber of Commerce

COURAGE IS NEEDED, HE SAYS

(By United Press.)

Washington, Nov. 17.—Warning that railroad men may "hold up" congress at the next session if they are successful in the present Adamson 8-hour law controversy was given today by President Charles R. VanHise of Wisconsin university to the National Council of the United States Chamber of Commerce.

"Whether the last election has anything to do with the passing of the Adamson 8-hour law," VanHise said, "you can judge as well as I. Four hundred thousand men held the governing power for the United States. The ignominious situation may be repeated indefinitely unless courage is exhibited in future matters of the sort which was not exhibited in this case."

Should the courts grant the appeal of enforcement of the Adamson law, the work of the commission appointed to investigate its application to railroad operation, will be held up temporarily, General Goethals, chairman of the commission, said.

HITS SMALL TUG CONVOYING HER

Deutschland in Collision This Morning While Leaving Harbor and Journey is Halted

MYSTERIOUS RUMORS HEARD

Reported That Motor Boat Tried to Ram Submersible and Tug Tried to Protect Her

(By United Press.)

New London, Conn., Nov. 17.—An attempted dash to sea by the German merchant submarine Deutschland ended early today in a collision between the super-submarine and the escorting tug Scott, in which Captain Gurney and four members of the tug's crew were drowned.

A report was circulated that a mysterious motor boat tried to ram the Deutschland and in attempting to protect the submarine the tug swung directly into the path of the under-sea freighter.

The Deutschland put back into port immediately and work was begun by a small army of workmen to learn the extent of her damage.

The tug sank within two or three minutes after she was rammed and the crew had no chance to reach the lifeboats.

Captain Hinsch of the Eastern Forwarding company, which owns the Deutschland, was aboard the Scott and was thrown into the water. Sailors from the Deutschland leaped overboard and dragged him on to the submersible. He was nearly dead from shock and cold.

SUBMERSIBLE IS SIGHTED

One With Gun Mounted on Her Deck is Seen Off New London

(By United Press.)

New London, Conn., Nov. 17.—A report was received here this afternoon from Plum Island that a strange submarine with a gun mounted on deck had been sighted towards the Midway, near Connecticut shore.

The vessel was visible, according to the report, through a light snow storm. The submarine later disappeared. Whether she submerged or left by the surface was not stated.

Many here believed the strange craft was the war submarine which has been expected as a convoy for the Deutschland.

EAT LESS MEAT IF BACK HURTS

Take a glass of Salts to flush Kidneys if Bladder bothers you—Drink lots of water.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

First School For Suffragists Opens in Baltimore With Many Women in Attendance.

PREPARING FOR CAMPAIGN

Is Only One of a Series That Will be Opened in Various Parts of Country.

(By United Press.)
Baltimore, Nov. 17.—This is the "first week of school" for the suffragists from many parts of the United States attending the suffrage school opened here under the auspices of the National American Woman Suffrage Association.

Classes in political organization, public speaking, suffrage history and argument, legislative and Federal work, and press and publicity are now in full swing and the ardent "pupils" are deep in the lessons of suffrage campaigning.

A model open air meeting was held in the streets of Baltimore last night, at which suffrage speeches from a decorated automobile, heckling crowds, and all the other features of such a gathering were demonstrated.

Mrs. Carrie Chapman Catt, president of the National Association will arrive tomorrow to give lectures both tomorrow and Saturday on organization, legislative and Federal work, and will address a large public meeting on Friday night. The school will close on Saturday.

The Baltimore school is but the first of the series that the National association will open throughout all the non-suffrage states, suffragists in many parts of the country having asked for a short course of this kind. Mrs. Catt has arranged to have one school in each of these states to prepare the workers for the 1917 campaign.

CASE TRIED IN SHELBYVILLE

In the unusual and complicated suit of Maynard M. Erb against Jasper D. Case, from Rush county, an agreement has been reached in the matter of the signing of the examination of the defendant, taken before Alice Tingle, notary public, and this agreement is set out in a decree prepared by the attorneys in the case and entered in the records of the court here Wednesday, by order of Judge Blair, says the Shelbyville News.

The agreement in the decree filed with the clerk of the court is that on November 24 the defendant shall go to the office of Kiplinger & Smith, attorneys, in Rushville, and there sign the examination. Attorneys for both sides are to be present and the notary public is to read to the defendant the typewritten transcript

MAKING IT PLAIN

The Pure Food and Drug Laws aim to protect the public by preventing mis-statements on the labels of preparations but some people continue to accept "extracts" of cod livers thinking they will get the benefits of an emulsion of cod liver oil.

"The difference is very great. An 'emulsion' contains real cod liver oil, which has had the hearty endorsement of the medical profession for many years, while an 'extract' is a product which contains no oil and is highly alcoholic.

Scott's Emulsion guarantees the highest grade of real Norwegian cod liver oil, skillfully blended with glycerine and hypophosphites. Scott's is free from the false stimulation of alcohol and is endorsed by good physicians everywhere.

We put it up to Hundreds of Dentists

Long before SENRECO was offered to you we submitted it to hundreds of dentists, requesting that they put it to every test. Told them that we believed Senreco to be an unusually good dentifrice, especially as to its cleansing qualities and its remedial action on sore, soft, bleeding gums; in the treatment of Pyorrhea, etc. Submitted the formula and asked them their opinion. They tested Senreco from every angle; some going even so far as to make a chemical analysis—

And They Voted Yes

With practically one accord—said:

"Senreco appeals to me more than any dentifrice I have ever seen." "I cannot say too much for Senreco. It's one of the best I have used." "I can recommend Senreco as the best." "Makes the teeth glister and is free from injurious ingredients, including pumice and grit." "I am indeed glad to get a tooth paste that does the work." "Congratulations you on formulating a dentifrice that gives one a new idea of mouth cleanliness, etc." (These quotations are from the dentists' reports. Originals on file at our office.)

With such endorsements from the men who know, why not go to your dealer today and get a tube of SENRECO—25c. Keep your teeth REALLY CLEAN, and protect yourself against Pyorrhea and decay.

A copy of the folder, "The Most General Disease in the World" together with a liberal trial size tube of SENRECO will be mailed you for 4c in stamps. The Sentinel Remedies Co., Inc. Dept. B, Masonic Temple, Cincinnati, Ohio.

Education a Necessity.

A few years hence the present generation of children will be bearing the burdens of the community that are borne by us today, and it is incumbent upon us to see that they are in every way fitted to cope with the many intricate problems that will confront them. Education is a modern necessity. It is no longer a luxury reserved principally for the rich. It is just as essential that the mind of the farmer be developed to the utmost capacity as it is for the merchant or the doctor or lawyer. Each branch of industry is dependent in great measure to the success attained by other branches. No longer can we "go it alone" as our forefathers did in the good old days. Hence, if we would have our children successful in life it is necessary that we afford them every opportunity to acquire the education that is the first requisite to such achievements. Keep the public schools in mind, encourage the teachers by your personal interest and support, and commend the children in their efforts to meet your expectations. Speak the good word that breeds ambition in the breast of teacher and pupil alike and begin the speaking today.

Lamentable, but true. There are 380 piano factories in the United States and not one of them belongs to us.

Worldly Advice: Put a crimp in your grouch and then lose them both.

BACKACHE

(By L. H. SMITH, M. D.)

In spite of the best care one takes of oneself, any part of the human machine is liable to become out of order. The most important organs are the stomach, heart and kidneys.

The kidneys are the scavengers and they work day and night in separating the poisons from the blood. Their signals of distress are easily recognized and include such symptoms as backache, depressions, drowsiness, irritability, headaches, dizziness, rheumatic twinges, dropsy, gout.

The very best way to restore the kidneys to their normal state is to drink plenty of pure water and obtain a small amount of Anuric, which is dispensed by most every druggist. Anuric is inexpensive and should be taken before meals. It is much more potent than lithia and you will find

that Anuric dissolves uric acid as water does sugar.

People are realizing more and more every day that the kidneys, just as do the bowels, need to be flushed occasionally. The kidneys are an eliminative organ and are constantly working, separating the poisons from the blood. Under this continual and perpetual action they are apt to congest, and then trouble starts. Uric acid backs up into the system, causing rheumatism, neuralgia, dropsy and many other serious disturbances. It means that you are a victim to uric acid poisoning. Then ask your druggist for Anuric and you will very soon become one of hundreds who have been helped by this powerful enemy to uric acid. —Adv.

LOCAL DISTRICT IS MADE LARGER

Many Counties, Including Strongest Fives in State, Will be in Competition With Rushville

SLIM CHANCE TO GET CONTEST

Such Cities as Richmond, Anderson and Muncie Will Compete For District Tournament

Under the new division of the state for the district basketball tournaments, just announced by the Indiana High School Athletic Association, the Rushville team will come in competition with several teams heretofore in other districts. Chief among these are Anderson and Muncie.

The state was divided into five districts, thus eliminating the smaller tourneys. This city was placed in the fourth district and will compete with the following teams: Columbus, Lawrenceburg, Greensburg, Muncie, Connersville, Brookville, Greenfield, Newcastle, Portland, Madison, North Vernon, Franklin, Anderson, Rising Sun, Winchester, Versailles, Shelbyville, Vevay, Liberty and Richmond.

Many of these teams have been in other districts in former tournaments and to win this year's tournament the team will be compelled to play more games and at the same time will face stiffer opposition.

The fourth district, according to the announcement is composed of the counties of Bartholomew, Dearborn, Decatur, Delaware, Fayette, Franklin, Hancock, Henry, Jay, Jefferson, Jennings, Madison, Johnson, Ohio, Randolph, Ripley, Rush, Shelby, Switzerland, Union and Wayne.

The district tournaments will be held on March 9 and 10 and the state tournament at Bloomington on March 16 and 17. The place of holding the district tournament has not been decided. At least 4 cities are after the event. Richmond is making a strong bid as is Anderson and Muncie. Rushville has signified its intentions of seeking the tournament but it is doubtful if this city could take care of so large a crowd as will surely come because of the enlarged district.

Heretofore the tournament in this district has been confined to teams in the Sixth congressional district, but under the new plan much additional territory is taken in and some of the best teams in the state will come in direct competition.

INTEREST IS IN TITLE CONTEST

Tomorrow's Game in Conference Area Overshadowed by November 25 Battle.

PURDUE PLAYS PURPLE TEAM

(By United Press.) Chicago, Ill., Nov. 17.—Tomorrow's games in the Big nine overshadowed by the impending Northwestern-Ohio game November 25 which will decide the championship.

There is little chance of the Purple, undefeated this season, falling tomorrow before Purdue which has lost every Big Nine game this year. Ohio State plays Case College, a non-conference game, and the result cannot effect its championship chances.

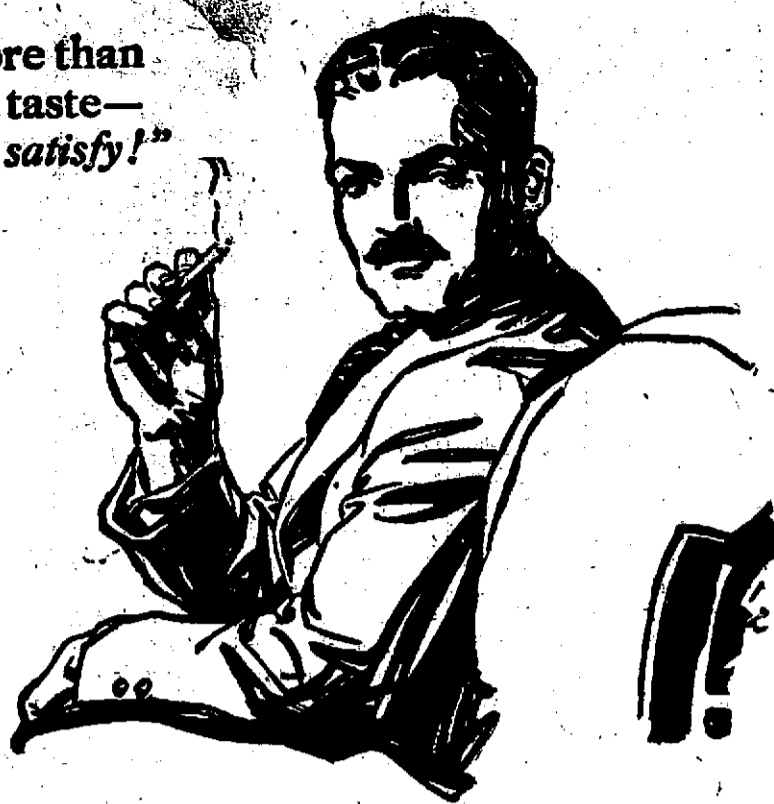

The Wisconsin-Minnesota game at Minneapolis promises to be well played and hard fought. The Gophers have somewhat the edge among the dopesters.

Chicago and Illinois will fight out their annual scrap at Urbana and although the game has no bearing on the championship, the rivalry between the two schools has keyed up both elevens until a hard tussle is expected.

Iowa goes out of the conference to play Ames at Ames, Ia. The Farmers may spring a surprise on the Hawkeyes, as they are pointed for this game with their big rival school.

Indiana will play Florida at Bloomington. Notre Dame should beat the Michigan Aggies tomorrow.

WOMAN GIVEN TWO DAYS

To Make Up Her Mind for Surgical Operation. She Refused; Cured by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"One year ago I was very sick and I suffered with pains in my side and back until I nearly went crazy. I went to different doctors and they all said I had female trouble and would not get any relief until I would be operated on. I had suffered for four years before this time, but I kept getting worse the more medicine I took. Every month since I was a young girl I had suffered with cramps in my sides at periods and was never regular. I saw your advertisement in the newspaper and the picture of a woman who had been saved from an operation and this picture was impressed on my mind. The doctor had given me only two more days to make up my mind so I sent my husband to the drug store at once for a bottle of Lydia E. Pinkham's Vegetable Compound, and believe me, I only took four doses before I felt a change and when I had finished the third bottle I was cured and never felt better. I grant you the privilege to publish my letter and am only too glad to let other women know of my cure."—Mrs. THOS. MCGONIGAL, 3432 Hartville Street, Phila., Pa.

ALLEN R. HOLDEN,
Nov 17-1 Auditor Rush County.

SOCIETY

The members of the Wi-Hub Club are being entertained at dinner this evening by Dr. and Mrs. F. R. McClanahan at their home in West Fifth street.

The Cross Country Club, which was to have been entertained by Mrs. Harry McManus at her home north of the city yesterday afternoon, has been postponed until Thursday of next week.

In connection with the "Every Member Conveys" which is to be held at the St. Paul's M. E. church Wednesday, there will be a pitch-in dinner at the church. All the members of the congregation are invited to attend.

The playlet, "The Truth About Jane," which was to be given at the St. Paul's M. E. church on Wednesday evening of next week, by the Pollyanna class has been postponed until the following week on account of the services to be held at the church that evening when the Rev. C. E. Bacon will preach.

The members of the Home Economics Club are observing "Guest Day" at their meeting at the court house assembly room tomorrow afternoon when each member of the club will be entitled to bring one guest. "Standards of Diet" is the subject to be discussed by Miss Blanche Armstrong, while Mrs. R. A. Mayse will talk on "Principles of Nutrition," with experiments by Miss Kate Dennis.

Mrs. E. B. Thomas will be hostess for the meeting of the Monday Circle to be held on Monday, when the members attention will be turned to the study of the drama which has been systematically reviewed this year. Mrs. Clara Allen has a paper on "The Morning Star that Heralded the Great Dramatic Sun" and Mrs. J. B. Kinsinger will give a comparison of "The Jew of Malta" and "The Merchant of Venice."

A delightful meeting of the Grand Club was the one at the home of Mrs. T. W. Bethel in East First street yesterday afternoon. The dozen ladies were engaged during the afternoon over the card tables and were later invited into the dining room; where a delicious two course dinner was served. The dining table was attractively arranged for the service of the dinner. Mrs. Claude Cambern will have the next regular meeting of the club.

Everyone is invited to attend the meeting of the Franchise League this evening at 7:30 o'clock in the assembly room of the court house. This is the first open meeting of the League since its recent organization here and promises to make an enthusiastic start for the suffrage leaders here. Miss Charlotte Sleeth, who has been an active supporter of the movement in the east will speak, and State Representative W. R. Jinnett will give his views on suffrage.

A prettily appointed dinner completed the meeting of the Social Dozen held with Mrs. Homer Powell in North Morgan street yesterday afternoon. The twelve ladies spent a social time together after which they were invited into the dining room, where the table was arranged with a center piece of chrysanthemums. Attractive place cards marked the places for the guests who were seated to enjoy the elaborate two course dinner. The next meeting of the club will be with Mrs. Jesse Poe.

At the home of Miss Mattie Bates, several of her girl friends entertained their young men friends with a pitch-in supper last evening. The color scheme of green and yellow was emphasized with decorations of yellow chrysanthemums. After the bountiful supper was served, the young people entered into an interesting series of informal games. The guests of Miss Bates included the Misses Rena Offutt, Nellie Drake, Ada Wolters, Marjorie Maximer and Dan Hughes, Orval Evans, Herbert Walker, Edgar Bates and Herschell Schmall.

Mrs. James Moore of this city formerly of Connersville attended the meeting of the Showmut Club at the home of Mrs. Retta Williams of Connersville yesterday. The next meeting of the club will be with Mrs. Moore at her home in this city in one month.

The members of the B. N. Club were the guests of Miss Nellie Brown at her home last evening. The home was arranged in the pretty club colors of pink and white, the dining room being especially festive. Here, late in the evening, a chicken dinner was served. The table was decorated, too, in the club colors with a bouquet in the center. Members of the club present were the Misses Mand and Charlotte Smith, Anna and Pauline Gessler, Effie Young, Kathleen Coyne, Eleanor Doll and Ethel Oakley. Selections on the Victrola and piano were played throughout the evening. The next meeting will be with Miss Effie Young.

The pitch-in supper at the home of Mr. and Mrs. Frank Flint in West First street last evening was given as a surprise on Mrs. Flint in honor of her birthday. The guests assembled early in the evening and the bountiful supper which they brought was soon ready to be served. After enjoying this, the guests gathered about the cards tables for an interesting evening at "500." The friends of Mrs. Flint arranging this pleasant affair were Mr. and Mrs. Noley Newkirk, Mr. and Mrs. Will Trennepohl and son, Vernal, Mr. and Mrs. Fred Cochran and family, Mr. and Mrs. Charles Brown, Mr. and Mrs. Fred Brown, Mr. and Mrs. A. W. Wilkinson and family, Mr. and Mrs. Stillwell Wilkinson, Miss Laura Taussler, Miss Florence Smiley, and Miss Nellie Morgan.

"Our Southern Mountaineers," the paper by Miss Emma Casady was one of the principal features at the meeting of the D. A. R. held at the home of Mrs. Will Dill in North Morgan street yesterday afternoon. The ancestry of these mountain people, their lives, hardships, schooling, and churches were all discussed in the inclusive and interesting paper. A report of the D. A. R. convention held in Richmond recently was given by Mrs. Will Dill, especially dealing with the parts of the program that would affect the local chapter. Mrs. A. L. Gary made a short but interesting talk on the work of the D. A. R. in general. Mrs. Will Amos sang a beautiful solo.

Following the business meeting came a merry social time when the hostesses served a dainty repast. In entertaining the hostess was assisted by Miss Eva Ball, Mrs. Sadie Allen, Mrs. Mildred Amos and Mrs. Mabel Beaver.

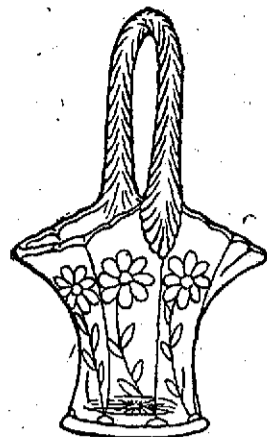

An exceedingly pretty Leap Year dance was given by the members of the Kappa Kappa Kappa sorority in the Auditorium dance hall, last evening. Over thirty couples gathered to enjoy the social hours which were gayly enlivened with a series of exceptionally novel dances. The hall was attractively decorated with yellow and black crepe paper streamers. During the grand march, which was led by Miss Hudla Pepper and Mr. Howard Hurst, eleven programs containing spaces for twelve regular dances, four extras, two of which were specials, and two feature dances, were distributed among the guests. The feature dances, which aroused much joviality and merriment among the happy revelers, consisted of a "Moonlight Confetti Dance" and a "Moonlight Fire Fly Dance." Exhilarating music was furnished by Cassady, Baker and Sherman. Mrs. Louise Pepper and Mrs. E. H. Glass were the charming patronesses of the affair. Punch and sandwiches were served throughout the evening. Among the out of town guests were Miss Agnes Widmeyer of Cincinnati, Miss Rebecca Jane Alley, of Shelbyville, Miss Helen Filby, of Cambridge, Miss Margaret Gray, of Maunzy and Miss Mary Amos of Rushville—(Connersville News.)

GUN TOTER QUASHED BY JUDGE'S ADVICE.

Terre Haute, Ind., Nov. 17.—"You go back to Tennessee and stay with your papa and mamma. The very idea of a little kid like you trying to bully persons with a pop-gun like this." With this admonishment the judge in the city court discharged Lon Beckman, 22, who is working here. Beckman meekly received the advice and made a hurried exit from the court room.

Unshaken Testimony

Time is the test of truth. And Doan's Kidney Pills have stood the test in Rushville. No Rushville resident who suffers backache, or annoying urinary ills can remain unconvinced by this twice-told testimony.

E. L. Hinkle, 815 N. Jackson street, Rushville, says: "I was on the verge of Bright's disease. Sharp pains in my back radiated to all parts of my body and I was hardly able to walk. I couldn't rest well, owing to the irregular action of my kidneys. I doctored for over a year, but found no relief whatever. Doan's Kidney Pills entirely cured me and made me feel like a different man. The terrible pains left and the action of my kidneys became regular."

Statement given Feb. 26, 1910.)

THE CURE LASTED.

On September 20, 1915, Five years later, Mr. Hinkle said: "The cure Doan's Kidney Pills made for me is still lasting."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hinkle has twice publicly recommended Foster-Milburn Co., Buffalo, N. Y.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers. Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative. No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action. If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime. Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

President in Annual Address Makes Plea For Sober America and Sober World.

OUTLINED THEIR PAST WORK

Pins Faith in Young People to Secure National Prohibition—After National Amendment.

Indianapolis, Ind., Nov. 17.—"A sober America and a Sober World." This was the keynote of the address made this afternoon at the opening meeting of the annual convention of the National Women's Christian Temperance Union by its president, Miss Anna A. Gordon of Evanston, Ill.

She outlined the work which had been done in the cause of temperance recently and then told of the "drive" which the allied temperance forces will make this winter, concentrating on the enactment of a federal constitutional amendment by congress.

"The Russian peasant women, possessing no political training, but fired with zeal, were most active in gaining the freedom of their nation from the shackles of vodka," Miss Gordon said. "Long before the government edict was issued, thousands of vodka shops had been closed through the persistent efforts of the peasant women."

In appealing to the younger people for aid, Miss Gordon stated:

"Our faith in the young people makes us feel assured that we shall not only secure national prohibition, but also enforce it. We are in the closing stage of our great warfare against John Barleycorn. In this campaign for a high purpose we appeal to young men and women to think seriously of the vital need of individual preparedness. On the side of the home and national prohibition are some of the best and bravest men in the country. We ask the young men to line up with us."

Miss Gordon referred to the threatening feud between the brewers and distillers. She quoted authorities who stated that the results of drinking beer were nearly as injurious as the effect from stronger liquors.

In emphasizing the necessity of seeing that the law is enforced, after it is passed, she said:

"A prohibitory law that does not rest upon the bedrock of total abstinence, belief and practice, will share the fate of the house built upon the sand. Public sentiment for prohibition must be kept at a white heat everywhere."

"The big task really centers in the cities. One sixth of the population living in liquor territory live in the cities. These are the strongholds of the enemy. One half of the saloons in the United States are in fourteen cities. New York City alone has more than are found in thirty-six states."

"If Chicago goes dry it will usher in a dry United States and that means a sober world. It will be a big fight but the inspiration is also big."

"Miss Gordon declared that the next logical step in fighting liquors is the submission and ratification of the proposed national amendment."

"The proposed amendment is a challenge to every patriot," she said. "It has been endorsed by eight million petitioners and by all the leading temperance organizations of the union. It is both effective and enforceable. It provides that the nation's standard shall not be lower than that of prohibition of the beverage liquor traffic, but does not stand in the way of more stringent legislation which may be adopted in any state."

Capt. and Mrs. J. H. Mauzy, who usually spend the summer in Denver, Colo., intended to go to Texas about October 15th, but were prevented from going by an indisposition of Mrs. Mauzy. They may possibly spend the winter in Denver.

Earnest Glessner of Fort Collins, Colo., son-in-law of the late J. F. Moses, has been confined in a hospital in Denver for some time on account of hip trouble. Mrs. Glessner (Mary Moses) and her little daughter, are occupying apartments in Denver, to be near her husband.

Elmer Bassett Now Believes Some Dreams Do Come True

Shelbyville Attorney Realizes at Ratification Here What he "Saw" in His Sleep.

MARCHES CARRYING A FLAG

After 14 months, Elmer Bassett, prominent Shelbyville attorney and well known in republican circles over the state, has seen the consummation of a dream which was his, and which at the time became indelibly impressed upon his mind, says the Shelbyville Republican.

The parade held Tuesday night at Rushville in honor of James E. Watson, who was recently elected United States senator from Indiana, was the final action the complete truth of the dream which Mr. Bassett had one night during September, 1915. Various parts of the dream have been enacted at various times during the past year, and step by step, Mr. Bassett has been enabled to see his vision become true.

The entire dream was related by Mr. Bassett Tuesday afternoon, while conversing with several friends. He stated that he had dreamed that on the following Christmas day, which was the Christmas of 1915, that his wife would present him with a large American flag as a Christmas gift. On Christmas morning, he said, he was in one of the rooms of their home conversing with a young woman who was employed there and had just completed telling her his dream

that his wife would give him a flag, when she walked into the room and presented him with a bundle which contained the national emblem.

As a continuance of the dream Mr. Bassett saw James E. Watson nominated on the Republican ticket for United States senator from Indiana. He then dreamed that Mr. Watson had been elected and that a parade was to be held in his honor in his home city of Rushville. Mr. Bassett saw himself in that parade carrying the large flag which had been given him on Christmas by Mrs. Bassett.

Finally as the days and weeks passed, James Watson became the candidate for senator on the republican ticket. After a hard and warm campaign in which Mr. Watson was the target of fire of many of the opposing party, he was elected by a plurality of more than ten thousand votes. Following his election a parade as Mr. Bassett had dreamed, was arranged to be held in his honor at Rushville. When the Shelbyville man received the word that the parade was being arranged he immediately thought of the dream which had been his and determined to be in the line of march, carrying the American flag as he had done in his dream.

Tuesday night Mr. Bassett was in Rushville and appeared in the parade carrying the American flag, and marching at the head of the Shelbyville delegation, which invaded Rushville on a special train.

My Favorite Occupation

Do you know what I love to do best in the world on a dark winter's night when the wind is howling around the house and the big trees bend almost to the ground—when the snow falls fast and furious and the people in the great out-of-doors bundle their coats tightly about them to keep off the winter's chill?

It is then that I love to sit in a darkened room before my large fireplace close by dear mother's knee and toast marshmallows, roast apples and pop corn and listen to the

tales of mother's girlhood. They are stories of the children playing 'round the kitchen, close by the door, on baking day on the lookout for a pan or two to clean with their pudgy fingers. They are stories of how they would have all sorts of gay times in the large barn at the back of the farm and how they would look forward all year to the barn dance of the community.

Somewhat such an evening frightens dull care and worries far into the recesses of the brain, and we re-

lax physically and mentally—living for the time in the days gone by.

In the summer my favorite occupation is somewhat different. Yet it borders on the same theme. What could be more delightful than a camp-fire on a summer's evening. Last year a number of friends and myself took a camp for a few days. We would wear khaki middies, rough walking shoes, and walking skirts; and after sunset when the evening meal had been cleared away, we would take ourselves off to the water's edge. There we would build a fire and sit Indian fashion in a circle about the blaze. Then the musicians of the party would accompany us in the old-fashioned

melodies upon the guitar and mandolin, while the tom-boys of the party insisted upon whistling the air and beating time on large stones with their sticks. Altogether we had a delightful time and I must confess it was my favorite summer occupation. Honestly, I enjoyed these days far more than the ones I spent at a fashionable hotel in one of the well-known summer colonies.

Perhaps you think me rather indolent when I cite these as my favorite occupations instead of telling about some task. You may be right but even these pleasures would lose their savor if they were not sandwiched in between days of hard and trying work.
